Paper out, pencils raised  
One plus one is two  
Two plus two is four  
Four plus four is eight  
And eight plus eight is sixteen

I can add, I can add  
I can add, I can add

I don't even know Spanish  
But I'm gonna sing it in Spanish, now

Uno mas uno es dos  
Dos mas dos son cuatro  
Cuatro mas cuatro son ocho  
Ocho mas ocho son dieciseis

I can add, I can add  
I can add, I can add

Two kids countin' plus one kid countin'  
Equals three kids countin'  
Three kids countin' plus two kids countin'  
Equals five kids countin'

One plus one is two  
Two plus two is four  
Four plus four is eight  
And eight plus eight is sixteen

I can add, I can add  
I can add, I can add

Alright, two plus one is three  
Three plus one is four  
And four plus one is five  
I'm gettin' it, I'm gettin' good at this
