

They Might Be Giants "I Should Be Allowed To Think"

Visit "[I Should Be Allowed To Think](#)" on MotoLyrics.com

I saw the best minds of my generation
Destroyed by madness, starving, hysterical
I should be allowed to glue my poster
I should be allowed to think

I should be allowed to glue my poster
I should be allowed to think
I should be allowed to think
I should be allowed to think

And I should be allowed to blurt the merest idea
If by random whim, one occurs to me
If necessary, leave paper stains on the gray utility pole

I saw the worst bands of my generation
Applied by magic marker to dry wall
I should be allowed to shoot my mouth off
I should have a call in show

I should be allowed to glue my poster
I should be allowed to think
I should be allowed to think
I should be allowed to think

And I should be allowed to blurt the merest idea
If by random whim, one occurs to me
If necessary, leave paper stains on the gray utility pole

I am not allowed
(To ever come up with a single original thought)
I am not allowed
(To meet the criminal government agent who
oppresses me)

I was the worst hope of my generation
Destroyed by madness, starving, hysterical
I should be allowed to share my feelings
I should be allowed to feel

I should be allowed to glue my poster
I should be allowed to think
I should be allowed to think

I should be allowed to think

And I should be allowed to blurt the merest idea
If by random whim one occurs to me
But sadly, this can never be

I am not allowed to think
I am not allowed to think
I am not allowed to think
(I am not allowed to think)
I am not allowed to think
(I am not allowed to think)
I am not allowed to think
(I am not allowed to think)
I am not allowed to think
(I am not allowed to think)
