Everybody saying "Who's that icky guy?"
I'd like to get to know him
I want to be his best bud"
"No, I do, we can't both be his best bud"

Who's that sucking all the oxygen
Out of the place
First name: getting all up in your
Last name: face
First name: getting all up in your
Last name: face

He's coming over to your house and
Isn't gonna leave till you loan him something
You've got a nice pair of slacks which he takes but
Will only return only one of them

Here, this is yours
I'm done with it, I brought it back
Don't know anything about some other slack
I only borrowed one slack

Who's that knocking over everything
Within reach?
Full-time occupation listed as "life-draining leech"
Who's that sucking all the oxygen
Out of the place
First name: getting all up in your
Last name: face
First name: getting all up in your
