I've got this little problem that I cannot control  
You put my heart in jail but now it's on parole  
You thought that you had left me alone in the rain  
But I saw you and my dead heart started up again

I do not wa wa wa wa want you  
I do not ne ne ne ne need you  
I just like the way you walk  
The way you move  
The way you talk oh ya

And I can't let go  
Infatuation's got a hold on me  
Wa oh wa oh  
A midnight flight to insecurity  
And I can't let go  
And she's making me lose my grip on reality  
In fa fa fa tuation

You said that you loved me  
But that was long ago  
And if I asked you out again  
Would you still say no

Is your heart filled up with ice  
Is your glare still cold or have you changed your mind  
since then filled it up with gold

I do not wa wa wa wa want you  
I do not ne ne ne ne need you  
I just like the way you walk  
The way you move  
The way you talk oh ya

Chorus

Because you do not love me  
Doesn't mean I cannot  
Don't cast my heart away  
'Cause it's all that I've got

I've got this little problem that I cannot control  
You put my heart in jail but now it's on parole

I do not wa wa wa wa want you  
I do not ne ne ne ne need you  
I just like the way you walk  
The way you move  
The way you talk oh ya
