I'm steaming up the inside  
Of my Marty Beller mask  
'Cause I'm really Whitney Houston  
On the drums

It's been 15 long years  
Since I put on the Marty mask  
You're the only person  
That I've ever told

Don't walk away from me  
I will always love you  
But how will I know?  
Trick or treat?

I can see you through the eye holes  
Of my Marty Beller mask  
But I'm really Whitney Houston  
On the drums

I was disenchanted  
Stardom was so fake  
That's when I got back  
Into the drums

Marty was convenient  
A vessel for my dream  
I knew exactly  
How to fill his shoes

Don't walk away from me  
I will always love you  
But how will I know?  
Trick or treat?

I can see you through the eye holes  
Of my Marty Beller mask  
But I'm really Whitney Houston  
On the drums

Marty gets the mansion

And I get his skins

Don't walk away from me  
I will always love you  
But how will I know?  
Trick or treat?

I am steaming up the inside  
Of my Marty Beller mask  
'Cause I'm really Whitney Houston  
On the drums  
Look again, this isn't Marty  
On the drums  
I am really Whitney Houston
