Rock on my hubba, the beat is blubba
Being stingy on the pike collect the one into the other
Careen in tandem, the sea into the landem
The people in the pix they want to scarf and dig the
clamdem
Aww yes, Mr Xcitement, aww yes, Mr Xcitement

We nix the glaben, the knifey-knife is staben
Protrude into the hoobalicious scoff the extra aden
I write the mooky, my verse is extra spooky
Like flansy in a soda can, it's trooky-trooky-trooky
Aww yes, Mr Xcitement, aww yes, Mr Xcitement

Mr. Xcitement, Xcitement
Mr. Xcitement

Aww yes, Mr Xcitement
Aww yes, Mr Xcitement, Xcitement
Mr. Xcitement
