You called me last night on the telephone  
And I was glad to hear from you 'cause I was all alone  
You said, "it's snowing, it's snowing! god, I hate this  
weather."  
Now I walk through blizzards just to get us back  
together

We met in the springtime at a rock-and-roll show  
It was on the bowery when it was time to go  
We kissed on the subway in the middle of the night  
I held your hand, you held mine, it was the best night of  
my life.

'cause everyone's your friend in new york city  
And everything looks beautiful when you're young and  
pretty  
The streets are paved with diamonds and there's just  
so much to see  
But the best thing about new york city is you and me

Statue of liberty, staten island ferry, co-op city, katz's  
and tiffany's\*  
Central park, brooklyn bridge, the empire state where  
dylan lived\*\*  
Coney island and times square, rockefeller center  
Wish I was there

You wrote me a letter just the other day  
Said, "springtime is coming soon so why don't you  
come to stay."  
I packed my stuff, got on the bus, I can't believe it's  
true  
I'm three days from new york city and I'm three days  
from you

'cause everyone's my friend in new york city  
And everything looks beautiful when you're young and  
pretty  
The streets are paved with diamonds and there's just  
so much to see  
But the best thing about new york city is you and me

'cause everyone's my friend in new york city  
And everything looks beautiful when you're young and  
pretty  
The streets are paved with diamonds and there's just  
so much to see  
But the best thing about new york city is you and me.
