Now I know  
Why they said not to cut the blue wire  
Now I know  
I know that I only wish I  
Could reach my hand into the past  
Prevent the die from being cast  
That made it so  
Now I know

If there's one thing I can't stand  
It's when I stand corrected, hat in hand  
But that's untrue, for there are two  
There's one more thing that I can't stand  
That the amount of things is wrong  
And it will have to be revised

Now I'm wise  
It's the red wire I see that now  
Because I'm wise  
I only wish that there were any wires  
Left to cut at all  
Then I'd be set  
It takes a tall man to admit  
He once was small  
But now I know
