Ooh la! Ooh la!
Ooh la! Ooh la!

It's the Double Dutch
Ooh la! Ooh la!
It's the Double Dutch
Ooh la! Ooh la!

Eensy beensy, crumbleeny
Ooh la! Ooh la! Gumbleeny
Inspiration, education
Here comes the 1, 2, 3
4, 5, 6, 7, 8, 9 elevators
Going too slow, I'll see you later

It's the Double Dutch
Ooh la! Ooh la!
It's the Double Dutch
Ooh la! Ooh la!

Double Dutch
Jump is on numbers 48
Double Dutch jumpers
We don't want to roller skate

Do the Double Dutch
Do the Double Dutch
Thank you very much
Do the Double, Double Dutch

We wash, we soap
And then we skip some rope
We flip and dive
And then we count to five

We do the Double Dutch
Do the Double Dutch
Thank you very much
Do the Double, Double Dutch

Eensy beensy, crumbleeny
Ooh la! Ooh la! Gumbleeny

Inspiration, education
Here comes the 1, 2, 3
4, 5, 6, 7, 8, 9 motor scooters
Going too fast on my computer

It's the Double Dutch
Ooh la! Ooh la!
It's the Double Dutch
Ooh la! Ooh la!

Skip skadoodle
Skip, skip skadoodle
Stick out your tongue
And wiggle like a noodle

Strut your stuff
And you don't stop
Hike up your pants
And do the coco pop

Skip skadaddle
Skip, skip skadaddle
Laugh so loud
That the dishes rattle

Music takes your mind
Into a trance
Hike up your pants
And do the double dance

Ooh la! Ooh la!
Ooh la! Ooh la!
Ooh la! Ooh la!

It's the Double Dutch
Ooh la! Ooh la!
It's the Double Dutch
Ooh la! Ooh la!
