We are the guests of Mr. Smalls  
He's somewhere watching us  
Through eyeholes in the walls

Mr. Small's Theater  
Partly hoping, half afraid  
We will rock it so well  
We will roll down the hill  
We will rock it so well  
We will roll down the hill

Mr. Small's  
Mr. Small's  
Mr. Small's  
Mr. Small's

I still have dreams about a place  
Called the Electric Banana  
Where we're falling into space

Mr. Small's Theater  
Partly hoping, half afraid  
We will rock it so well  
We will roll down the hill  
We will rock it so well  
We will roll down the hill  
We will rock it so well  
We will roll down the hill  
We will rock it so well  
We will roll down the hill
