In a world we call our home there's lots of room to  
roam

Plenty of time to turn mistakes into rhyme  
There's a place for those who love their poetry  
It's just across from the sign that says, "Pros only"

So if you like a band with a chick singer,  
Say your cup of tea is a wall of trombones  
If you dig Menudo, or MDC we salute you the way we  
know  
For every one with dollar signs in his eyes  
There must be hundreds who look at you as if you're  
some kind of  
Rhythm section want ad  
No others need apply to the rhythm section want ad  
I'll tell you why

Hats off to the new age hairstyle made of bones  
Hats off to the use of hats as megaphones  
Speak softly, drive a Sherman tank  
Laugh hard, it's a long way to the bank

Do you sing like Olive Oyl on purpose  
You guys must be into the Eurythmics  
For every one with dollar signs in his eyes  
There must be hundreds who look at you as if you're  
some kind of  
Rhythm section want ad  
No others need apply to the rhythm section want ad  
And here's the reason why
