R is for red,
O is for orange,
Y is for yellow,
and G is for green.

B is for blue,
I for indigo,
V is for violet...

And that spells Roy G. Biv!

Roy G. Biv is a colorful man,
and he proudly stands at the rainbow's end! (so you'll see)

Roy G. Biv is a colorful man,
and his name (so you'll see) spells out
the whole color spectrum!

Roy G. Biv is a colorful (so you'll see) man,
and he proudly stands at the rainbow's end! (so you'll see)

Roy G. Biv is a colorful man,
and his name (so you'll see) spells out
the whole color spectrum!

You'll never see a unicorn,
but you'll see a rainbow.
and inside every rainbow...
is the spectrum of life...

You'll never see Roy G. Biv.

But he's inside the rainbow...
'cause inside every rainbow...
is the spectrum of life...

R is for red,
O is for orange,

B is for blue,
