Avalanche or roadblock
I was a snowball in hell
Avalanche or roadblock
A jailer trapped in his cell

Money's all broke
And food's goin' hungry
If it wasn't for disappointment
I wouldn't have any appointments

Side effect or drug trip
Don't tease me with all of your might
Side effect or drug trip
My panacea's in a xerox shop

Have a nice day
You want it when?
Have a nice day
Have a nice day

{I didn't expect to find a salesman
Drinking coffee this late in the morning
How long you been here, Joe?
Oh! I don't know, I guess thirty, forty-five minutes
maybe
Why do ya ask?
You must be making a lot of sales, piling up good
income
Oh uhh, I'm doing all right, I could do better but
Ohh haha, I get it Paul, back on that old time is money
kick, right?
Not back on it Joe, still on it}

Avalanche or roadblock
I was a snowball in hell
Avalanche or roadblock
A jailer trapped in his cell

Money I owe, money I yeh
Money I owe, money I yeh

Avalanche or roadblock

I was a snowball in hell
Yes, I was a snowball in hell
Yes, I was a snowball in hell
