Mr. horrible
Mr. horrible
Telephone call for mr. horrible
But before he can talk to the ugliness men
There's some horrible business left
For him to attend to
Something unpleasant has spilled on his brain
As he sponges it off they say

Is this horrible?
Is this horrible?
Its the ugliness men, mr. horrible
Were just trying to bug you
We thought that our dreadfulness
Might be a thing to annoy you with

But mr. horrible says, I don't mind
The thing that bothers me is
Someone keeps moving my chair

Would you mind if we balance this glass of milk
Where your visiting friend accidentally was killed?
Would it be okay with you if we wrote a reminder
Of things well forget to do today otherwise,
Using a green magic marker, if it's alright
On the back of your head?

Mr. horrible
Mr. horrible
Were not done with you yet mr. horrible
You have to try on these pants so the ugliness men
Can decide if they're just as embarrassing as we think
We have to be sure about this

But mr. horrible says, I don't mind
The thing that bothers me is
Someone keeps moving my chair

Someone keeps moving my chair

Mr. horrible says, I don't mind
The thing that bothers me is

Someone keeps moving my chair
