Did you just what?
Is what you yes?
Did you whatever, whatever you
I guess?
The stocking horse
Was hides the guy
And which the pony is a phony was a lie

You say, stuff is way
Way to go
Go away
Who had you was?
I yes you would
It was catastro-, catastro-feeling good

As it the drag
That has you are
Is in the bag
That you drag behind your car

Did you just what?
IS what you yes?
Did you whatever, whatever you
I guess?
The stocking horse
Was hides the guy
And which the pony is a phony was a lie

You say, stuff is way (Is what you say)
Way to go (Is stuff is way)
Go away (So way to go, so go away)
Who had you was? (Who had you was?)
I yes you would (I yes you would)
It was catastro-, catastro-feeling good
(It was catastro-, catastro-feeling good)

As it the drag (As it the drag)
That has you are (That has you are)
Is in the bag (Is in the bag)
That you drag behind your car (That you drag behind
your car)
