Yes, no, maybe  
I don't know  
Can you repeat the question?

You're not the boss of me now  
You're not the boss of me now  
You're not the boss of me now, and you're not so big  
You're not the boss of me now  
You're not the boss of me now  
You're not the boss of me now, and you're not so big

Life is unfair, so I just stare at the stain on the wall  
where  
The TV'd been, but ever since we've moved in it's been  
empty

Why I, why I'm in this room  
There is no point explaining

You're not the boss of me now, and you're not so big  
You're not the boss of me now  
You're not the boss of me now  
You're not the boss of me now, and you're not so big

Life is a test, and I confess  
I like this mess I've made so far  
Grade on a curve and you'll observe  
I'm right below the horizon

Yes, no, maybe, I don't know  
Can you repeat the question?

You're not the boss of me now  
You're not the boss of me now  
You're not the boss of me now, and you're not so big  
You're not the boss of me now  
You're not the boss of me now  
You're not the boss of me now, and you're not so big

You're not the boss of me now  
You're not the boss of me now  
You're not the boss of me now, and you're not so big

You're not the boss of me now  
You're not the boss of me now  
You're not the boss of me now, and you're not so big

Life is unfair
