Hey  
Who's that playing  
Hey  
The guitar?

Is it Jim?  
I don't know  
Is it Jim?  
I don't know

In the spaceship, the silver space ship, the lion takes  
control  
In the spaceship, the silver space ship, the lion takes  
control

Hey  
Who's that playing  
Hey  
The guitar?

Hush my darling, be still my darling, the lion's on the  
phone  
Hush my darling, be still my darling, the lion's on the  
phone

Hush my darling, be still my darling  
Hey  
Hush my darling, be still my darling  
Hey

Turn it up  
The guitar  
I can't hear  
The guitar

In the spaceship, the silver space ship, the lion waves  
good-bye  
In the spaceship, the silver space ship, the lion waves  
good-bye

Hey  
Who's that playing

Hey  
The guitar?

Hey  
Hey  
Hey  
Hey
