Monochrome Martinet  
His texture is starch  
This song is a march  
And from the beginning  
His Duende was winning  
But though he's a worthy emcee  
He'll never be part of the three  
Orpheum act  
Faustian pact  
Three Might Be Duende, in fact

Necropolis Blownapart  
A ghostly sight  
Emerges bright  
Hot from the embers  
The first team member  
Is hatching a dastardly plan  
Like a bird with a dastardly egg  
Trapped in this time  
Lost in his rhymes  
One Might Be Duende defined!

Apocryphal Espadrille  
The shaper of dreams  
Returns to the scene  
No diorama  
Could match his drama  
A smile that would frighten the blind  
The incubus freezes the mind  
Right off the farm  
Fooled by his charm  
Sound Might Be Duende's alarm

Dystopio Smashedtobits  
The keeper of dust  
The builder of rust  
When you discover  
Sleep's older brother  
The trio is finally complete  
The trio has just one conceit  
Forged by their past

First in their class  
Three Might Be Duende (Three Might Be Duende)  
Three Might Be Duende (Three Might Be Duende)  
Three Might Be Duende at last
