Where your eyes don't go a filthy scarecrow waves its
broomstick arms
And does a parody of each unconscious thing you do
When you turn around to look it's gone behind you
On its face it's wearin' your confused expression
Where your eyes don't go

Where your eyes don't go a part of you is hovering
It's a nightmare that you'll never be discoverin'
You're free to come and go, or talk like Kurtis Blow
But there's a pair of eyes, in back of your head

Every jumbled pile of person has a thinking part that
wonders
What the part that isn't thinkin', isn't thinkin' of
Should you worry when the skullhead is in front of you
Or is it worse because it's always waiting
Where your eyes don't go

Where your eyes don't go a part of you is hovering
It's a nightmare that you'll never be discoverin'
You're free to come and go, or talk like Kurtis Blow
But there's a pair of eyes, in back of your head

Where your eyes don't go a filthy scarecrow waves its
broomstick arms
And does a parody of each unconscious thing you do
When you turn around to look it's gone behind you
On its face it's wearin' your confused expression
Where your eyes don't go
