All right

Back in ancient times
You know that things then weren't that easy
So many different tribes
So many different ways of writing

So, who put the alphabet in alphabetical order?
I wonder
Who put the alphabet in alphabetical order? Oh

Now, I've got a question
With an answer that you might find easier
You've got to use your mind
To remember all the letters in order

Now, you put the alphabet in alphabetical order
Come on
You put the alphabet in alphabetical order

We're going to put the alphabet in alphabetical order
now
A B C D E F G H I J K L M N O P
Q R S T U V W X Y and Z
Now, I know my ABC's, next time won't you play with
me?

Oh, I put the alphabet in alphabetical order
Yes, I put the alphabet in alphabetical order
I did it
