Many a measles and hand grenades
Doo doo doo doo doo doo
Everyones skinny and overweight
Doo doo doo doo doo doo yeah

And I don't know if livin is worth the fight
So sometimes I just don't
It's such a beautiful world

Time stand still for each one of us
Ooo maybe I'm no hero but
I can't help myself

I need a reason to smile today
Doo doo doo doo doo doo
People are pregnant and underpaid
Doo doo doo doo doo doo yeah

I don't know if learnin is worth the time
So sometimes I just don't
It's such a beautiful world

Just stand still for a minute more
Ooo maybe I'm no hero but
I can't help myself

And baby I don't know if givin is worth the loss
Oh love it's such a beautiful world
Time stands still for each one of us
Ooo baby I'm no hero but
I can't help myself

All birds
All the babies
All the trees in the spring
All the joy that it brings
All the top ten centerfolds
All the joy
All the babies
All the leaves in the spring
All the love that it brings

I can't help myself
