Just charge it to my account
I hope I haven't gone over my limit
With interest rates so swift
No need to scream and shout
No doubt if women are from Venus now
I'll get to them somehow

All I wanna do is please you
Please myself by living my life too
And all the stupid things I do
Have absolutely no reflection on
How I feel about you

Yes I recall
Skipping on breakfast to play basketball
Then feeling two feet small
Sometimes - you read like William Shakes
Your scent is sweet like Betty Crocker bakes
I'd love to have your cake and eat it too

All I wanna do is please you
Please myself by living my life too
And all the stupid things I do
Have absolutely no reflection on
How I feel about you yeah
