I gotta ask myself
What's it gonn be babe
Am I gonn save myself
What's it gonn be
I gotta ask myself
What I'm gonn do babe
I gotta ask myself
What's it gonn be

I gotta pop up, pop up
Gotta get up every day
Somethin for me and my family
I gotta make decisions
And be somebody
I'm growin up as fast as I can
I gotta make some money
Don't wanna live by their rules

In and out the day
In and out the night
Tryin to fing my way
Just to survive

I gotta ask myself
What's it gonn be babe
Am I gonn save myself
What's it gonn be
I gotta ask myself
What I'm gonn do babe
I gotta ask myself
What's it gonn be

Something beautiful inside of me(O Yea)
Something wonderful inside of me(O Yea)
Something beautiful inside of me(O Yea)
Something wonderful inside of me

I gotta pop up, pop up
Gotta live up to the world
Everyone's talkin, talkin
I gotta be somebody
And for my baby

I'm growin up as fast as I can
I gotta make life better
For everyone(everyone, everyone, everyone)
Just to survive

I gotta ask myself
What's it gonn be babe
Am I gonn save myself
What's it gonn be

Something beautiful inside of me(O Yea)
Something wonderful inside of me(O Yea)
Something beautiful inside of me(O Yea)
Something wonderful inside of me

I gotta ask myself
What's it gonn be babe
Am I gonn save myself
What's it gonn be
I gotta ask myself
What I'm gonn do babe
I gotta ask myself
What's it gonn be

Whoo
Somethin for me and my family
And be somebody
I gotta make some money
