I wish I could change, I wish I could change
I wish I could stop saying the same old things
I wish I could be who you want me to be
I wish I could stop being the same old me
I wish I could lose all of my blues
I wish I could stop putting my blues on you
I wish I could love like nobody loves
I wish that my girl told me my bad seemed up

There's no way, there's no way, there's no way
I can get back that girl, 'cause I'm too complicated
She's not complicated
But I'm too complicated
(Repeat 2 times)

I wish I could change, I wish I could change
I wish I could stop placin' the blame, oh
I can't stop it, I can't break down, I can't drop it, can't
see how
I wish I could lose all of my blues
I wish I could stop puttin' my blues on you
I wish I could love
I wish that my girl told me my bad seemed up

There's no way, there's no way, there's no way
I can get back that girl, 'cause I'm too complicated
She's not complicated
But I'm too complicated
(Repeat 2 times)

You know it's killing me. baby how can I let you go
Suddenly there's nothing I need more
There's no way, there's no way, there's now way,
there's now way
I can't stop it, I can't break down, I can't drop it, can't
see how

There's no way, there's no way, there's no way
I can get back that girl, 'cause I'm too complicated
She's not complicated
But I'm too complicated
(Repeat 5 times)
