Girl you're bugging me  
Sure enough you're always busy pushing me  
Well u don't want to treat me like that  
Waited patiently  
Yet still you're playing everything turseptuly  
This time got the ass gonna crack

Bridge

U Take my trust and through it away  
Take the money I should have been paid  
Making fools of the both of us  
Things getting dangerous  
I don't want to give no more

Chorus

I think u've  
Gotta grip back on your act  
Watch your back  
I'm gonna get it right  
Don't think i'm gonna take that gold attack  
Where u at  
It's happened tonight  
I wanna be surely your inner friend  
I'm not insane that's where it's Gonna lead  
Coz I ain't gonna want somebody else's dirty girl on  
me

I won't ask u twice  
How come all your friends deny your alibis  
They ain't saying were you've been  
Don't apologise  
U overdyed u mustn't girl to my advice  
Get out before I find u again

Bridge, Chorus

Damn right I'm serious  
U don't cross me and I've had enough  
Of your lies in my eyes  
U ain't what you got in your bag baby  
I don't want to make a fuss  
Get yourself back baby don't disgust

U no youÂ're to great for being this close to the end

Chorus x3
