Through the rain girl,  
I found Jezus  
I found you and  
I know nothing can take  
Your place girl,  
Your red lipstick

And I'm just afraid,  
Cause this is the first time  
That I'm not loving you,  
And I'm not loving you

I got married,  
To the Idea  
To the notion  
That you'd allways be here  
With me girl,  
Like my shadow

And I wish I was there,  
Just to run my hands through your hair

And I'm just afraid,  
Cause this is the first time  
That I'm not loving you,  
And I'm not loving you

Girl you know I'm allways thinking of you,  
Haven't seen a summer since I saw you,  
Baby don't worry about us  
I feel your love,  
I feel you inside  
Yeah,

And I wish I was there,  
Just to run my hands through your hair

And I'm just afraid,  
Cause this is the first time  
That I'm not loving you,  
And I'm not loving you  
Girl I'm not loving,

And I'm not loving,  
You

Girl you know I'm allways thinking of you,  
Haven't seen a summer since I saw you,  
Baby don't worry about us  
I feel your love,  
I feel you inside  
Baby,

Girl I'm not loving you  
You
