I'm lost without you

Can't help myself

How does it feel?

To know that I love ya baby

I'm lost without you

Can't help myself

How does it feel?

To know that I love ya baby

Tell me how you love me more

And how you think I'm sexy baby

But you don't want nobody else

You don't want this guy

You don't want that guy

You wanna touch yourself when you see me

Tell me how you love my body

And how I make you feel baby

You wanna roll with me

You wanna to hold with me

You wanna stay warm and get out of the cold with me

I just love to hear you say it

It makes a man feel good baby

Tell me you depend on me

I need to have it

I'm lost without you

Can't help myself

How does it feel?

To know that I love ya baby

I'm lost without you

Can't help myself

How does it feel?

To know that I love ya baby

Baby you're the perfect shape

Baby you're the perfect weight

Treat me like my birthday

I want it this way

I want it that way

Tell me you don't want to stop

Tell me it would break your heart

But you love me and all my dirty

You wanna roll with me

You wanna to hold with me

You want to make fries and get norwegian world with
me

I just love to hear you say it

It make a man feel good baby

I'm lost without you

Can't help myself

How does it feel?

To know that I love ya baby

I'm lost without you

Can't help myself

How does it feel?

To know that I love ya baby

Cause you will tell me every morning

I'm lost without you

Can't help myself

How does it feel?

To know that I love ya baby

I'm lost without you

Can't help myself

How does it feel?

To know that I love ya baby
