Just charge it to my account
I hope I haven't gone over my limit
With interest rates so swift
No need to scream and shout
No doubt if women are from Venus now
I'll get to them somehow

All I want to do is please you
Please myself by living my life too

And all the stupid things I do
Have absolutely no reflection on How I feel about you
How I feel about
All the stupid things I do have absolutely no reflection
on
How I feel about you
How I feel about you yeah

Oh yes I recall
Skipping on breakfast to play basketball
Then feeling two feet small
Sometimes you read like William Shakes

Your scent is sweet like Betty Crocker bakes
I'd love to have your cake and eat it to

All I want to do is please you
Please myself by living my life too

And all the stupid things I do
Have absolutely no reflection on How I feel about you
How I feel about
All the stupid things I do have absolutely no reflection
on
How I feel about you
How I feel about you yeah

And all the stupid things I do
Have absolutely no reflection on How I feel about you
How I feel about
Oh how I feel about you
How I feel about you yeah
