The things you make me do  
Woo Hoo ahh babe ahh darling oh nahhh  
The things you make me do  
The things you make me do  
The things you make me do

Ashanti-

I think every part of me is addicted to your touch  
Cuz everything I got inside of me  
Got me needing you so much, HEYY  
Got me open, got me coastin', got me floatin' babe  
Got me jonesin', got me zonin', got me goin' craze  
Boy, I'm shakin', body achin', got me waitin' babe  
These are all the things (things)

The things you make me do  
Be your wife, I'll be the air you breathe, I'll be your  
drug, do anything you need  
The things you make me do  
Washing dishes, blowing kisses in the bubbles babe  
I'll be your bad girl that loves to get in trouble babe  
The things you make me do  
Be your wife, I'll be the air you breathe, I'll be your  
drug, do anything you need  
The things you make me do  
Take you shopping for some rims and buy you jewelry  
babe  
All my friends may think I'm crazy  
The things you make me do

Thicke-

Voice soft, crazy hoarse, can't get on the floor  
Private performance, I'm begging, begging for more  
You're so naughty and nice; you're so naughty and nice  
Run Ashanti run, you know I wanna chase it ohhhh

Ashanti-

Got me open, got me coastin', got me floatin' babe  
Got me jonesin', got me zonin', got me goin' craze  
Boy, I'm shakin', body achin', got me waitin' babe
