I tried to warn you baby
I tried to tell you I was down
Oh yeah yeah

You would not listen baby
You would not help me when I was down
Oh no no

He tells her "doesn't anybody understand I love her? "
That girl she holds my heart in her hands
Oh baby, oh baby baby baby baby

Baby please don't go
Baby please don't go
Baby please don't go
Oh no no no no no
Baby please don't go

I tried to warn you baby
I tried to tell you "don't let me down"
Oh no no

You would not listen baby
Baby you would not leave me go down
Oh no no

He tells her there is foolish there is wise
The young ones hold their heart up to the skies
And dance the night away

There is foolish, there is wise
There is anger in his tone
There is truth behind the lies
His heart has turned to stone

Wherever you may be, he loves her
Wherever you may stand
He loves her in this land

Baby please don't go
Don't hurt me so

Don't leave me now
Baby please don't go
