What if time stood still on a walk?
Would you be the one who's keeping the clock?
Or would you think that I'm not cool enough
For what you've got?
For what you...

Want from me and this conversation

You've got me feeling
A little bit crazy over drinks and a handshake
But the truth is 21, gets further each day

It was more than just Central Park
Something in the way light framed through the dark
That made me think that she's just cool enough
For what I've got
For what I...

Want from you and this new engagement

You've got me feeling
A little bit crazy over drinks and a handshake
But the truth is 21, gets further each day
