There are people that will investigate you
They'll insinuate, intimidate and complicate you
Don't ever wait or hesitate to state the fate that awaits
those who
Try to shake or take you
Don't let them break you

You can do anything you want to do
It's not wrong what I sing it's true
You can do anything you want to do
Do what you want to

People that despise you will analyse then criticise you
They'll scandalise and tell lies until they realize
You are someone they should have apologised to
Don't let these people compromise you
Be wise too

You can do anything you want to do
It's not wrong what I sing it's true
You can do anything you want to do
Do what you want to

Hey you you're not their puppet on a string
You can do everything
It's true if you really want to
You can do anything you want

Just like I do

You can do anything you want to do
It's not wrong when I sing it's true
You can do anything you want to do
Do what you want

Hey you
No can do
Hey you
Yes you

Elvis is dead

The king of rock'n roll is dead
Elvis is dead
