Up till now I used to pass my time  
Drinking beer so slowly, sometimes wine  
No god, air, water or sunshine  
And honesty was my only excuse  
I took your love and I used it

Up till now my youthful stage  
A useless rage, a torn out page, a worn out gauge  
A dirty shade, a big charade, a has been made  
And honesty was my only excuse  
I took your love and I used it

I never, I never, I never

Up till now my love life  
A few sweet kisses, a little missus, a fork and knife  
A happy home, a hand to hold, a land to roam  
And honesty was my only excuse  
I took my life in my own hands and I abused it

Up till now I used to tap dance  
Take a girl by the hand saying I need your , I need your  
romance  
Oh I had so many chances  
And honesty was my only excuse  
I took your love and abused it

Up till now the path of life was fair enough  
Enough was fair, all was right  
And now I know, I see the light  
And honesty was my only excuse
