"Let Go"

I thought I had a perfect run.
I thought I avoided you all.
But who am I to think I'd be any different than anyone?

But you saw a different side
And you are a part of why
I've had some faith
I've had some ties
I've let it get to me this time.

Just let go of everything you know.
Of everyone you thought you knew
'Cause they've had their fun
And washed their hands of me.

I'm thinking forward from now.
I'm looking out for only one of us
I can't believe the tides have changed so quick
I'm left behind.

But you saw a different side
And you are a part of why
I've had some faith
I've had some ties
I've let it get to me this time.

Just let go of everything you know.
Of everyone you thought you knew
'Cause they've had their fun
And washed their hands of me.

The sweet surrender.
There's nothing better to believe
When everyone turns
And it's all on you to make it through the night.

Just let go of everything you know.
Of everyone you thought you knew
'Cause they've had their fun
And washed their hands of me.

I'm thinking forward from now.

I'm looking out for only one of us
I can't believe the tides have changed so quick
I'm left behind.
