Little girl in bloom
With happy heart you wipe aside
Any sadness, sorrow or gloom
Tomorrow you'll be a blushing bride
That loves her blushing groom

Little girl in bloom
You watch the men play cricket
From the window in your room
See the ball go from bat to wicket
Pass away the afternoon

Little girl in bloom
Carries a secret
The child she carries in her womb
She feels something sacred
She's gonna be a mammy soon

When your daddy comes home
Don't tell him till alone
When your daddy comes back
Go tell him the facts
Just relax and see how he's gonna react

Little girl in bloom
All the clouds will go drifting by
So sing your lullabying tune
Every word is in your eyes
As you sit and softly croon

Little girl in bloom
Your love it fills the air
With the scent of the sweetest, sweet perfume
You feel so good you just don't care
You're gonna be a mammy soon

When your daddy comes home
Don't tell him till alone
When your daddy comes back
Go tell him the facts
Just relax and see how he's gonna react
