Hey listen closely  
Listen while I tell you  
Why he loves you  
And what he misses mostly

It's pointless his pretending  
He's got a broken heart  
A broken heart  
That needs mending

You didn't tell him  
You didn't want to see him again

He's going crazy  
He's reckless  
Without you baby  
He's helpless

It's deadly how you broke him  
He's a fool  
Without you baby  
I'm not joking

You didn't tell him  
You didn't want to see him again

Now when I'm down  
My friends they come around  
And when I'm upset  
My friends they help me forget

But how can he forget?  
He hasn't got a friend  
'cos no one told him  
You didn't want to see him again

He's all washed up and washed out  
Without you baby  
Every place he goes  
He's thrown out

He's turned vicious  
He's malicious  
Just goes to show how much he misses  
You know what

He wouldn't tell me  
You didn't want to see him again

You didn't tell him  
You didn't want to see him again

I couldn't tell him  
You didn't want to see him again

I didn't tell him  
You didn't want to see him again
