I know someone  
Who doesn't believe in god  
Someone I know doesn't even know god

He came from a planet three thousand miles away  
Just a short trip  
A kind of brief holiday

Can you give someone somewhere to stay  
I gotta warn you, he's gotta gun  
I gotta warn you, he's gotta gun

I know someone who came on a short trip  
Travelling lightly  
Travelling by spaceship

He came from a planet three thousand miles away  
Can you give someone somewhere to stay  
I gotta warn you, he's gotta gun

Please look out woman  
A ray gun!
