One, two

One, two, three, four

When you came in my life you changed my world

My Sarah

Everything seemed so right my baby girl

My Sarah

You are all I want to know

You hold my heart so don't let go

You are all I need to live

My love to you I'll give

My Sarah

When you begin to smile you change my style

My Sarah

When I look in your eyes I see my prize

My Sarah

You are all I want to know

You hold my heart so don't let go

You are all I need to live

My love to you I'll give

You are all I want to know

Oh my Sarah

Don't let go oh no

My Sarah

You are all I want to know

You hold my heart so don't let go

You are all I need to live

My love to you I'll always give

You are all I want to know

You hold my heart so don't let go

You are all I want to know

Oh my Sarah

Yes you changed my style with your baby smile
Sarah

Childlike charms keep me warm hold you in my arms
Sarah

Change my world my baby girl
Sarah

All I want to know don't let go
No, no, no, no, no, no
Sarah
Sarah
Be mine
