There goes moses carrying his Bible book  
Never has a problem, just has a cup  
It's good clean alcohol and it fills you up  
And here I go laughing like a fool, yeah

Things ain't working out down at the farm  
Got no bag or baggage or love to keep me warm  
And I ain't been in trouble since the day I was born  
Things ain't working out down at the farm

I used to spend my sunny days supping aways  
Along came gogarty and he put me away  
Down at the station was kept for strays  
And I went laughing, geez he like busting me, he liked  
busting me

He caught me unawares and he made me strip naked  
Oh I was scared, oh I was scared, I was shaking  
And he said  
It's you and me  
And me and you  
And me and me  
And you and you  
And me and me  
And I just kept laughing like a fool, yeah

Things ain't working out down at the farm
