I'll tie a rope and all of you will think  
I've hung my hopes and walked em out to sea  
See there's no case  
I saved my face you can see it for yourself

Open letter to my hometown crew  
I can see through you and how it works  
And how it's worse  
And how it worked out

But I can read your face  
It's true  
You hide behind the ones that hide for you  
Yet me, I'd never fall into the line you built  
With ease and Stalin's tactics  
Save a place for me  
You swine, you known backstabber

I don't think that I'm a part of this machine  
I don't see the point in shaking hands with fiends  
When you can take it for your...

It's a change of pace to see my face when a race back  
home  
When I'd lost hope  
They might be sane  
They might just be crazy enough to wait

But I can read your face  
Its' true  
You hide behind the ones that hide for you  
Yet me, I'd never fall into the line you built  
With ease and Stalin's tactics  
Save a place for me  
You swine, you known backstabber

I don't think that I'm a part of this machine  
I don't see the point in shaking hands with fiends  
When you can take it for yourself

I'll tie a rope  
And all of you will think

I've hung my hopes  
And walked em out to see  
See there's no case  
I saved my face you can see it for yourself
