Forget me/ Forget Me not  
was a lie  
hurts a lot  
I was blown away when u left  
I lose time with this dream that I follow  
when u stood next to me  
i felt life / i felt high  
the stars they changed direction for you  
hurts a lot /hurts a lot

oh sympathy i understand  
an empty heart an empty hand  
if i could break your heart of stone  
would u be mine would u be mine

when u disappeared i cried  
not my fault / but my loss  
still i search the seven stars  
for your love / it s a dream that i follow  
forget me /forget me not  
hurts a lot / hurts a lot  
the wind could blow u back to me  
in some time  
dazzle me with your smile

oh sympathy i understand  
an empty heart an empty hand  
if I could break your heart of stone  
would you be mine / would you be mine

no sympathy you're much to cold  
now i feel bad now i feel bad  
if i could break your heart of stone  
would you be mine / would u be mine

kristina could u just forget my love

kristina could u just forget my name  
kristina could u just forget my love  
kristina was it only just a fantasy
