"Boys Are Back"

Well, guess who's just got back today?
Them wild-eyed boys that had been away
Haven't changed, haven't much to say
Man, I still think them cats are crazy

They were asking if you were around
How you was, where you could be found?
Told them that you were living downtown
Driving all the old men crazy

The boys are back in town
Boys are back in town
Say, "The boys are back in town
The boys are back in town"

The boys are back in town
Boys are back in town
The boys are back in town
The boys are back in town

You know that chick that used to dance a lot
Every night she'd be on the floor shaking what she'd
got
Man, when I tell you she was cool, she was red hot
I mean she was steaming

And that time over at Johnny's place
Well, this chick got up and she slapped Johnny's face
But man, we just fell about the place
If that chick don't want to know, forget her

The boys are back in town
Boys are back in town
I said, "The boys are back in town
The boys are back in town"

The boys are back in town
Boys are back in town
The boys are back in town
The boys are back in town

Spread the word around

Guess who's back in town
Spread the word around

Friday night, dressed to kill
Down at Dino's bar and grill
The drink will flow, blood will spill
The boys wanna fight, you'd better let them

That jukebox in the corner's blasting out my favorite
song
These nights are getting warmer, it won't be long
Won't be long till the summer comes

Now that the boys are back in town
Boys are back in town
I said, "The boys are back in town
The boys are back in town"

The boys are back in town
Boys are back in town
Spread the word around
The boys are back
The boys are back in town
