I got my money in a suitcase  
I headed for the big race  
I felt a chill on my backbone  
As I hung up the telephone

Stone cold sober and stone cold sweat  
Running down the back of my neck, girl  
Take a little money, and nothing left to lose  
And I got me a heavy bet

Cold, cold sweat

They say chances on the outside  
They're looking pretty slim  
I feel so lucky on the inside  
I feel I'm gonna win

Stone cold sober and stone cold sweat  
Running down the back of my neck, girl  
Take a little money, and nothing left to lose  
I got me a heavy bet

Cold, cold sweat

I've got a whole month's wages  
I ain't seen that much in ages  
I might spend it in stages  
And move out to Las Vegas

Stone cold sober and stone cold sweat  
Running down the back of my neck, girl  
Take a little money, and nothing left to lose  
I got me a heavy bet

Cold, cold sweat

I got my money in a suitcase  
They say chances on the outside  
I got a whole months wages, spend it in stages  
And maybe some crowd gonna move out to Vegas

Stone cold sober and stone cold sweat

Stone cold crazy  
Place another bet
