I know someone  
Doesn't believe in God  
Someone I know  
He doesn't even know God

He came from a planet  
Three thousand miles away  
Just a short trip  
A kind of brief holiday

Can you give someone  
Somewhere to stay?  
I gotta warn you, he's gotta gun  
I gotta warn you, he's gotta gun

I know someone  
Came on a short trip  
Traveling lightly  
Traveling by spaceship

He came from a planet  
Three thousand miles away

Can you give someone  
Somewhere to stay?  
I gotta warn you, he's gotta gun

Oh look out woman  
A ray gun
