I'm a fool now that it's over
Can you guess my name?
I make my money singin' songs about ya,
It's my claim to fame
When they say it's over,
It's not all over there's still the pain
And I'd come runnin',
I'd come runnin' back to you again
Oh I'd come runnin',
I'd come runnin' back to you again

If I said I was sorry,
Would you still leave me?
I never thought you'd go,
Till you did
Believe me
When they say it's over,
It's not all over completely
Cuz I'd come runnin',
I'd come runnin' back to you again
Yes I'd come runnin',
I'd come runnin' back to you again

(I miss that girl)

The show is over,
And we must all go home
Just leave me by myself
I'll be alright here on my own
If it's all over,
It's all over and I'm all alone
And I'd come runnin',
I'd come runnin' back to you again
Don't you know I'd come runnin'
I'd come runnin' back to you again
Lord oh my, my, my, my, my, my, my, my, my,
my, my, my, my, my, my, my, my
Oh tra la, la, la, la, la, la, la, la, la, la, la, la, la, la, la,
la,
Lord oh na, na, na, na, na, na, na, now....
