"Still inlove with you"

Think Ill just fall two pieces

If I dont find something else to do

This sadness never ceases

Im still in love with you

My head, it keeps on reeling

Its got me in a crazy spin

Darling, darling, darling

Is this the end?

Still in love with you

They say time has a way of healing

Dries all the tears from your eyes

But darling its this empty feeling

My heart cant disguise

After all that weve been through

I try my best but its no use

I guess Ill keep on loving you

Is this the end?

Now that its all over, woman

Theres something I think you should know

Baby, baby, think it over

Just one more time before you go

Call on me baby

If theres anything I can do for you

Call on me baby

Help me see it through
