Lonesome gambler, that woman will lead to  
heartbreaks

Take the word of one who played and lost in love  
I played it cool, I dealt the heartaches  
I broke rules but that woman, she cut me up

That woman's gonna break your heart  
That woman's gonna tear your soul apart  
That woman's gonna wreck your head  
That woman's gonna leave you sad, so sad

If your life depends on what you are losing  
You're still refusing to believe in fate or chance  
You don't know now but it's the wrong card you're using  
That deck you're using is stacked against romance

That woman's gonna break your heart  
That woman's gonna tear your soul apart  
That woman's gonna wreck your head  
That woman's gonna leave you sad, so sad
