

## Thin White Rope

### "Midwest Flower"

Visit "[Midwest Flower](#)" on MotoLyrics.com

Guy Kyser/Roger Kunkel)

you're only seen through yellow windows  
Stealing the sunlight off the street  
Trees throw confetti to restrain you  
Grass bows and dust swirls past your feet

CHORUS

Midwest flower  
Midwest flower

Do weeds and wrappers chase behind you  
Do you focus objects like a lens  
Does the shimmering vacancy before you  
Draw the air and everything around you

CHORUS

-----
