Lyrics by Mac Powell/Music by Third Day  
From the recording: Come Together, Track #2.

Here I am at what feels like the end  
And so I come to You, my Lord, again  
With this burden buried deep within  
This heart that You have made  
In this trial that I'm going through  
I don't question 'cause I know it's true  
That the sorrow brings me back to You  
And You have made me stronger

It's been forty days and forty nights  
Down the road of many trials  
And I pray it's only for a season  
'Cause in the wilderness and in the flood  
You're the one I'm thinking of  
And I know You've brought me for a reason

I have one more thing I've got to say  
Before they try to take my life away  
Let it be known that I am not afraid  
Let You will be done, Lord
