I have decided to follow Jesus
I have decided to follow Jesus
I have decided to follow Jesus

No Turning back, No Turning back

The cross befront me
The world behind me

The cross befront me
The world behind me

No Turning back, No Turning back
No Turning back, No Turning back
No Turning back, No Turning back

No one goes with me
Still I will follow

No one goes with me
Still I will follow

No Turning back, No Turning back
No Turning back, No Turning back
No Turning back, No Turning back
